## THE LICENSE AGREEMENT

### License of publishing rights

I hereby grant to *the National Centre of Infectious and Parasitic Diseases* Creative Commons Attribution 4.0 International License for publishing and distribution of the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the manuscript (the “Article”) in print, electronic and all other media (whether now known or later developed), in any form, in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication. This license includes the right to enforce the rights granted hereunder against third parties.

### Supplemental Materials

“Supplemental Materials” shall mean materials published as a supplemental part of the Article, including but not limited to graphical, illustrative, video and audio material.

With respect to any Supplemental Materials that I submit, *The National Center of Infectious and Parasitic Diseases* shall have a perpetual worldwide, non-exclusive right and license to publish, extract, reformat, adapt, build upon, index, redistribute, link to and otherwise use all or any part of the Supplemental Materials, in all forms and media (whether now known or later developed) and permit others to do so. The publisher shall apply the same end user license to the Supplemental Materials as to the Article where it publishes the Supplemental Materials with the Article in the journal on its online platforms on an Open Access basis.

### Research Data

“Research Data” shall mean the result of observations or experimentation that validate research findings and that are published separate to the Article, which can include but are not limited to raw data, processed data, software, algorithms, protocols and methods.

With respect to any Research Data that I wish to make accessible on a site or through a service of *The National Center of Infectious and Parasitic Diseases*, *The National Center of Infectious and Parasitic Diseases* shall have a perpetual worldwide, non-exclusive right and license to publish, extract, reformat, adapt, build upon, index, redistribute, link to and otherwise use all or any part of the Research Data in all forms and media (whether now known or later developed), and permit others to do so.

### Scholarly communication rights

I understand that I retain the copyright in the Article and that no rights in patents, trademarks or other intellectual property rights are transferred to the *National Center of Infectious and Parasitic Diseases*. As the author of the Article, I understand that I shall have the same rights to reuse the Article as those allowed to third party users (and *The National Center of Infectious and Parasitic Diseases*) of the Article under the Creative Commons Attribution 4.0 International License.

### User rights

The publisher will apply the *Creative Commons Attribution 4.0 International License* (CC-BY 4.0) to the Article where it publishes the Article in the journal on its online platforms on an Open Access basis. For further information, see <https://pipd.ncipd.org/index.php/pipd/open-access>

The CC-BY 4.0 license allows users to copy, to create extracts, abstracts and new works from the Article, to alter and revise the Article and to make commercial use of the Article (including reuse and/or resale of the Article by commercial entities), provided the user gives appropriate credit (with a link to the formal publication), provides a link to the license, indicates if changes were made and the licensor is not represented as endorsing the use made of the work. The full details of the license are available at <https://creativecommons.org/licenses/by/4.0/>

### Reversion of rights

Articles may sometimes be accepted for publication but later rejected in the publication process, even in some cases after public posting in “Articles in Press” form, in which case all rights will revert to the author (see <https://pipd.ncipd.org/index.php/pipd/peer-review-policy>).

### Revisions and addenda

I understand that no revisions, additional terms or addenda to this License Agreement can be accepted without *National Center of Infectious and Parasitic Diseases*’ express written consent. I understand that this License Agreement supersedes any previous agreements I have entered into with *The National Center of Infectious and Parasitic Diseases* in relation to the Article from the date hereof.

### Copyright Notice

The publisher shall publish and distribute the Article with the appropriate copyright notice.

### Author Representations/Ethics and Disclosure

I affirm the Author Representations noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors, Ethics in Publishing policy, Declarations of Interest disclosure, and information for authors from countries affected by

sanctions (Iran, Cuba, Sudan, Burma, Syria or Crimea). I am also aware of the publisher's policies with respect to retractions and withdrawal (<https://pipd.ncipd.org/index.php/pipd/peer-review-policy>). For further information see the journal's ethics page at <https://pipd.ncipd.org/index.php/pipd/ethics>.

#### *Author Representations*

- The Article I have submitted to the journal for review is original, has been written by the stated authors and has not been previously published.
- The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- The Article and the Supplemental Materials do not infringe any copyright, violate any other intellectual property, privacy or other rights of any person or entity, or contain any libelous or other unlawful matter.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials.
- Except as expressly set out in this License Agreement, the Article is not subject to any prior rights or licenses and, if my or any of my co-authors' institution has any policy that might restrict my ability to grant the rights required by this License Agreement (taking into account the Scholarly communication rights permitted hereunder), a written waiver of that policy has been obtained.
- If I and/or any of my co-authors reside in Iran, Cuba, Sudan, Burma, Syria or Crimea, the Article has been prepared in a personal, academic or research capacity and not as an official representative or otherwise on behalf of the relevant government or institution.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information.
- Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

#### *Governing Law and Jurisdiction*

This License Agreement will be governed by and construed in accordance with the laws of the country or state of *Journal Owner* ("the Governing State"), without regard to conflict of law principles, and the parties irrevocably consent to the exclusive jurisdiction of the courts of the Governing State.

For information on the publisher's copyright and access policies, please see <https://pipd.ncipd.org/index.php/pipd/open-access>
